

# SHELBY COUNTY RIGHT TO LIFE

## WHO WE ARE

Shelby County Right to Life is a grass-roots and non-denominational pro-life organization. We are an affiliate of TN Right to Life (TRL) which is headquartered in Nashville and has chapters across TN. TN Right to Life is an affiliate of National Right to Life, which is the nation's oldest and largest pro-life organization. National Right to Life is the federation of 50 state right-to-life affiliates and more than 3,000 local chapters. Through education and legislation, National Right to Life is working to restore legal protection to the most defenseless members of our society who are threatened by abortion, infanticide, assisted suicide and euthanasia.

## WHAT WE DO

Shelby County Right to Life works with Tennessee Right to Life to enact legislation to protect the unborn, the newborn, the aged and infirm; to teach the truth about abortion; to educate about abortion alternatives; and to assist women who choose life.

We set up booths at festivals and fairs to fulfill our mission to educate. People are amazed when they see models that show the development of a baby before birth. They are also pleased to receive information on topics from child development to dealing with the emotional scars of abortion.

In order to promote community involvement, Shelby Co. Right to Life holds an oratory contest for high school students each spring. The winner of the contest gets to compete at the state level and possibly go to the national competition.

Additionally, we organize the annual Stand for Life Rally each January to memorialize the lives lost to abortion since the January 22, 1973 Roe vs. Wade decision.

Through the TRL Political Action Committee (TRL PAC), we seek to elect pro-life legislators at the national and state levels. The work of TRL PAC has helped elect pro-life majorities in both chambers of the state legislature.
